**FOR IMMEDIATE RELEASE:**

## **Management changes at Victoria Mutual Investments Limited & Victoria Mutual Wealth Management Limited**

Victoria Mutual Investments Limited (VMIL) has today announced the following changes to its talent pool in line with its robust strategic plan and bold business targets:

Effective September 1, 2022, Mr. Brian Frazer, CFA joins the VM Group as Deputy Chief Executive Officer at Victoria Mutual Investments Ltd and Victoria Mutual Wealth Management Limited. Brian will work closely with Rezworth Burchenson, Chief Executive Officer in accelerating the implementation of the organisation's bold strategic objectives.

Brian has vast experience in trading, treasury, asset management, risk management, operations, and product development. Brian also has experience developing the strategic direction for investment management and product development for mutual funds, unit trust funds and institutional asset management business lines across the English-speaking Caribbean. Brian has led investment management teams which had responsibility for the management of assets of over US\$1.9 Billion on behalf of unit trust funds, mutual funds, pension funds, corporate clients, and individual investors across the region.

Brian earned his undergraduate degree in Accounting and Economics at the University of the West Indies and has received professional training in accounting, asset/liability, and risk management both locally and overseas. Brian is a Chartered Financial Analyst (CFA) Charterholder and is a member of the CFA Institute. He is the founding President of CFA Society Jamaica and currently serves as a Director and the Chair of the Membership Committee of the Pension Industry Association of Jamaica. Brian was also a director of the Caribbean Alternative Investments Association.
