A call may be made payable by instalments. A call may be revoked or postponed as the Directors may determine.
- 29. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

COMPANIES OFFICE OF LASPAICAL COMPANIES OFFICE OF LEVALUA

30. If a call payable in respect of any share or any instalment of a call be not paid before or on the day appointed for payment thereof, the holder for the time being of such share shall be liable to pay interest on the same at such rate, not exceeding ten per centum per annum, as the Directors shall determine from the day appointed for the payment of such call or instalment to the time of actual payment; but the Directors may, if they think fit, waive the payment of such interest or any part thereof.

- 31. If by the terms of issue of any shares, or otherwise, any amount is made payable at any fixed time, whether on account of the nominal amount of the shares or by way of premium, every such amount shall be payable as if it were a call duly made by the Directors of which due notice had been given; and all the provisions hereof with respect to the payment of calls and interest thereon, expenses, or to the forfeiture of shares for non-payment of calls, shall apply to every such amount and the shares in respect of which it is payable.
- 32. The Directors may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid and the time of payment of such calls.
- 33. The Directors may, if they think fit, receive from any member willing to advance the same all or any part of the money uncalled and unpaid upon any shares held by him; and upon all or any of the moneys so paid in advance the Directors may (until the same would, but for such advance, become presently payable) pay interest at such rate (not exceeding without the sanction of the Company in general meeting, six per centum per annum) as may be agreed upon between the member paying the moneys in advance and the Directors.

### TRANSFER OF SHARES

- The instrument of transfer of any share in the Company shall be in writing, and shall be signed by or on behalf of the transferor and the transferee, and duly attested, and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the Register in respect thereof.
- 35. The Directors may at any time in their absolute and uncontrolled discretion and without assigning any reason decline to register any transfer of shares. The Directors may also suspend the registration of transfers at such times and for such periods as they may from time to time determine but so that such registration shall not be suspended for more than thirty days in any year. The Directors may decline to recognize any instrument of transfer unless:

CE OF JAMAICA - COMPANIES OFFICE OF JAMAICA - COMPANIES OFFICE OF JAMAIC

- (a) a fee not exceeding two dollars is paid to the Company in respect therefor:
- (b) the instrument of transfer is accompanied by the certificate of the share to which it relates and such other evidence as the Directors

may reasonably require to show the right of the transferor to make the transfer; and

(c) the instrument of transfer is in respect of only one class of share.

36. Subject to the restrictions contained in these articles shares in the Company may be transferred in any usual or common form or in any other form of which the Directors shall approve.

37. If the Directors refuse to register a transfer they shall within two months after the date on which the transfer was lodged with the Company send to the transferee notice of the refusal.

The Company shall be entitled to charge such fee not exceeding One Thousand Dollars, as the Directors may from time to time determine for registering any probate, letters of administration, certificate of marriage or death, power of attorney notice in lieu of distringas or other instrument relating to or affecting the title to any shares.

### TRANSMISSION OF SHARES

On the death of any member (not being one of two or more joint holders of a share) the legal personal representatives of such deceased, shall be the only persons recognized by the Company as having any title to the share or shares registered in his name.

Any person becoming entitled to a share by reason of the death or bankruptcy of a member may upon such evidence being produced as may from time to time be required by the Directors, elect either to be registered as a member in respect of such share or to make and execute such transfer of the shares as the deceased or bankrupt person could have made. If the person so becoming entitled shall elect to be registered himself he shall give to the Company a notice in writing signed by him that he so elects. The Directors shall in either case have the same right to refuse or suspend registration as they would have had if the death or bankruptcy of the member had not occurred and the notice of election or transfer were a transfer executed by that member.

Any person becoming entitled to a share by reason of the death or bankruptcy of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, unless and until he is registered as a member in respect of the share, be entitled in respect of it to receive notice of, or to exercise any right conferred by membership in relation to, meetings of the Company: Provided always that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to make such transfer as aforesaid, and if such notice is not complied with within ninety days after service

thereof the Directors may thereafter withhold payment of all dividends, bonuses or other moneys payable in respect of such share until the requirement of the notice has been complied with.

#### FORFEITURE OF SHARES

- 42. If any member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors may, at any time thereafter during such time as any part of the call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest in such non-payment.
- 43. The notice shall name a further day (not being earlier than the expiration of fourteen days from the date of the notice) on or before which such call or instalment and all interest accrued and expenses incurred by reason of such non-payment are to be paid, and it shall also name the place where payment is to be made. The notice shall also state that in the event of non-payment on or before the time and the place appointed the shares in respect of which such call or instalment is payable will be liable to forfeiture.
- If the requirement of any such notice as aforesaid be not complied with, any shares in respect of which such notice has been given may, at any time thereafter before the payment required by the notice has been made, be forfeited by a resolution of the Directors to that effect and any such forfeiture shall extend to all dividends declared in respect of the shares so forfeited, but not actually paid before such forfeiture.
- Any shares so forfeited shall be deemed to be the property of the Company, and may be sold or otherwise disposed of in such manner, either subject to or discharged from all calls made or instalments due prior to the forfeiture, as the Directors think fit; or the Directors may, at any time before such shares are sold or otherwise disposed of, annul the forfeiture upon such terms as they may approve. For the purpose of giving effect to any such sale or other disposition on the Directors may authorize some person to transfer the shares so sold or otherwise disposed of to the purchaser thereof or other person becoming entitled thereto, and he shall thereupon be registered as the holder of the shares, and shall not be bound to see the application of the purchase money, if any, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the shares.
- Any person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall notwithstanding, remain liable to pay to the Company all moneys which at the date of the forfeiture were presently payable by him to the Company in respect of the shares, together with interest thereon at such rate not exceeding ten per centum per annum, as the Directors

shall appoint, down to the date of payment, but his liability shall cease if and when the Company receives payment in full of all such moneys in respect of the shares, together with interest as aforesaid. The Directors may, if they shall think fit, remit the payment of such interest or any part thereof.

- 47. When any shares have been forfeited an entry shall forthwith be made in the Register recording the forfeiture and the date thereof, and so soon as the shares so forfeited have been sold or otherwise disposed of an entry shall also be made of the manner and date of the sale or disposal thereof. The entry in the Register or in the Directors' Minute Book recording forfeiture of the share shall be conclusive evidence of that fact as against all persons claiming to be entitled to the shares.
- 48. The provisions of these articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

### **ALTERATION OF CAPITAL**

- 49. The Company may by ordinary resolution increase the share capital of the Company by the creation of new shares, such increase to be of such aggregate amount and to be divided into shares of such respective amounts as the resolution shall prescribe.
- Any capital raised by the creation of new shares shall, unless otherwise provided by the conditions of issue, be considered as part of the original capital, and shall be subject to the same provisions with reference to the payment of calls and the forfeiture of shares on non-payment of calls, transfer and transmission of shares, lien, or otherwise, as if it had been part of the original capital.
- 51. Subject to any direction to the contrary that may be given by the Company in general meeting, all new shares may be disposed of by the Directors in such manner as they think most beneficial to the Company.
- 52. The Company may by ordinary resolution:
